TOP 10

ENERGY SUSTAINABILITY SOLUTIONS PROVIDER

IN APAC 2024

We are proud to announce that Kinergy Advancement Berhad (KAB) has been recognised as one of the Top 10 Energy Sustainability Solutions Providers in APAC 2024 by Energy Business Review. This prestigious accolade underscores KAB's commitment to innovation, sustainability, and excellence in the energy sector.

As KAB continues to expand its SES portfolio and contribute to the energy transition, we remain committed to making a positive impact on the environment and society.

This article recognised not only its transformation endeavors but also its strategic emphasis on enhancing ESG and sustainability advantages for end-users, to achieve a common vision and mission.

Top 10 Energy Sustainability Solutions Provider in APAC 2024:
Kinergy Advancement Berhad (KAB)

For the 2nd 'Top 10 Energy Sustainability Solutions Providers in APAC 2024' list by Energy Business Review, Kinergy Advancement Berhad (KAB), Malaysia's leading One-Stop Energy & Engineering Solutions Provider, has secured a notable position. This prestigious accolade recognises KAB's capabilities in providing energy alternatives to assist clients in developing sustainable energy practices. These solutions have been proven to yield cost-saving benefits for businesses, concurrently fostering a positive impact on environment, social and governance (ESG) factors. This establishes the company as a recognised leader in the energy industry.

Decisions Matter, Efforts Count.

The forthcoming special edition of Energy Sustainability by the magazine in May 2024 will feature a full 4-page profile of KAB, providing valuable insights into its latest advancements and developments in the energy business field while achieving an admirable balance between profitability and sustainability. With a reach to over 86,000 qualified subscribers in the APAC region, including key decision-makers such as Renewable Energy Program Heads, Facilities Directors, Energy Directors, and Chief Sustainability Officers, this feature will significantly boost Kinergy Advancement's visibility and validate its capabilities as a holistic provider of innovative sustainable energy solutions. As KAB continues to expand its Sustainable Energy Solutions (SES) portfolio and drive strategic initiatives and investments, this recognition serves as an excellent testament to the company's rapid development and its market presence as a trailblazer in the energy industry.

PEOPLE & CULTURE

RAYA POTLUCK PARTY

Eid Mubarak! As we celebrated the joyous occasion of Eid al-Fitr, the spirit of Eid brought warmth and unity to KAB. Our Raya potluck lunch party was filled with delicious dishes and laughter, the team has immersed in the warm and festive atmosphere. It was a beautiful moment of togetherness that highlighted the diversity and camaraderie within KAB.

REINFORCING WORKPLACE SAFETY

On 25 April 2024, KAB has organised a fire drill in collaboration with the local fire and rescue team from Balai Bomba dan Penyelamat Sri Petaling to put to test its employees' safety awareness and readiness for emergencies. KAB employees were expected to react spontaneously to the notification without prior information.

Before the drill, the Emergency Response Team had to ensure road safety around the assembly point and its surroundings to minimise disruptions.

Thanks to a well-organized evacuation strategy, the Emergency Response Team managed to evacuate the crowd within 4 minutes. The drill involved a series of demonstrations, briefings, and assessments.

The firefighters demonstrated the correct application of fire extinguishers and share valuable insights to various firefighting techniques, fire safety and emergency response. Some employees were given the opportunity to directly practice extinguishing a fire themselves.

Following the drill, the fire and rescue team evaluated the efficiency of our emergency response procedures. They commended the team for their performance, providing positive feedback. Nevertheless, they also offered valuable suggestions for future enhancements.

We are committed to ensuring a safe workplace and providing comprehensive training for all employees.

To learn more about how KAB delivers **social, environmental and economic value**, visit the company's FY23 Sustainability Report at <https://www.kinergyadvancement.com/esg>.

[This page serves to provide comprehensive insights into our sustainability practices and achievements.]
