— Dato' Lai Keng Onn
Executive Deputy Chairman cum
Group Managing Director of KAB

The signing of this HOA with LCS is a cornerstone in our strategy to **broaden our renewable energy initiatives and expand beyond Malaysia** into the Southeast Asia market. This collaboration is not just a business venture; it's **a step towards a sustainable future**. We are eager to combine our technical expertise in renewable energy with LCS's local insights to make this project a benchmark in the industry.

— Mr. Chavit Singson
Founder & Chairman of LCS Group

The 100 MWp solar power plant is not just a numerical achievement; it signifies our dedication to harnessing the natural power of the sun to meet the energy needs of today without compromising the needs of future generations.

This venture not only allows us to **address the urgent global call to reduce worldwide carbon emissions**, but it also **fosters economic growth, creates job opportunities**, and contributes to the well-being of the communities in which we operate.

EMPOWERING THE COMMUNITY THROUGH REFORESTATION INITIATIVE

IN 
INDONESIA

Reforestation has a great deal of potential to help us solve the current environmental problems. We can aid in **reducing climate change**, **preserving biodiversity**, and **fostering healthy ecosystems**. Our collaborative efforts to preserve the forests are the key to achieving a healthier planet.

This initiative, will foster sustainable livelihoods, create job opportunities, and stimulate regional economies. Communities at Sukaramai and Perduhappen Village are given a sense of ownership, empowerment, and social cohesiveness by becoming involved in reforestation efforts.

05

REFORESTATION EFFORT

WATERSHED REHABILITATION

@NORTH SUMATERA PROVINCE, INDONESIA

PT. Inpola Mitra Elektrindo (PTIME), KAB's subsidiary in Indonesia carried out the watershed rehabilitation by initiating the **reforestation effort**. The initiative covered 54ha of protected forest in the **Singkil watershed area** in Kerajaan and Tinada District at Pakpak Bharat Regency of North Sumatera Province, Indonesia. The size of the reforestation covered is equivalent to approximately 133 football fields with a total of 27 measurement plots.

The reforestation activities include planning, implementation and monitoring covering the Sukaramai and Perduhapen Village, manning by the Amanat Sukut Nitalun; the local farmer groups. The Sukaramai Village is the custodian for the project as the village will be directly involved in the watershed rehabilitation programme.

NEW YEAR, NEW HOPE

MAKING A POSITIVE IMPACT, ONE COMMUNITY AT A TIME

6TH JANUARY 2024

KAB kickstarted the auspicious year of 2024 with a pledge to give back and give more to the community. On Saturday, 6th January 2024, the Sustainability Team of KAB organised a visit to 4 charity houses in Petaling Jaya for a donation drive.

BENEFICIARIES

- Persatuan Anak Yatim dan Ibu Tunggal Nur Hikmah (Baru)
- Pertubuhan Kebajikan Anak-anak Yatim dan OKU Mesra
- Pertubuhan Kebajikan Warga Emas Kenang Budi KL
- Persatuan Kebajikan Chen Ai OKU

During the visit, KAB donated groceries and personal care items to around 100 beneficiaries consisting of orphans, single mothers, people with disability and elderly folks, in exchange for invaluable treasures of shared laughter and stories.

Each smile and stories serve as a reminder to us, that connection goes beyond age and circumstance.

Onward and upward to the new year, we carry not resolutions but the lasting stories from this visit. Together let's craft a story of impact - One story, One community at a time.
