MAKING CHANGES TO IMPROVE OUR WORKPLACE EXPERIENCE

— starting with better seating.

Your Well-being Matters

We have upgraded to Brand New ergonomic chairs to improve employee comfort and well-being.

Long hours at a desk can take a toll, leading to discomfort and fatigue.

By upgrading to ergonomically designed seating, we aim to improve posture, reduce strain, and create a healthier, more comfortable workspace for everyone.

This initiative is in line with KAB's culture of prioritising employee well-being and fostering a supportive, efficient work environment.

From enhanced ergonomics and comprehensive wellness programs to a dynamic and inclusive work environment, we are dedicated to creating a workplace where every individual feels valued, supported, and empowered to thrive.
