EXCLUSIVE FEATURE

SHARING KAB'S SUCCESS STORY: TRANSFORMING INTO A ONE-STOP ENERGY & ENGINEERING SOLUTIONS PROVIDER

REFLECTING ON THE FRUITFUL JOURNEY & CONTINUOUS EFFORTS IN THE SUSTAINABLE ENERGY SEGMENT

Over the past several years, the company has strategically invested efforts and capital into expansion. With a proven expanded portfolio and a successful transformation achieved in June 2023, KAB is now recognised for its unique business model, exceptional technical expertise, and capabilities to deliver mid-large scale projects.

To date, KAB possesses multiple sustainable energy assets, establishing a robust foundation in the field of sustainable energy generation.

In FY2023, KAB's net profit grew ninefold, driven by its expansion into the sustainable energy solutions (SES) business.

Moreover, KAB has been awarded contracts from Malaysia's largest oil & gas company, alongside establishing strategic partnerships that have further bolstered its reputation and the confidence of its stakeholders, attracting more potential clients.

KAB aims to continue its growth trajectory in the SES industry in Malaysia and across the ASEAN region.

FEATURED ON PROMINENT RADIO STATION

KAB's recent strategic partnership with Malaysia's leading fertilizer company, AGROMATE, has become a focal point in a prominent business radio interview. This reflects our commitment to only forging impactful alliances within the industry.

During the BFM interview, the Chief Executive Officer of AGROMATE highlighted KAB for the synergies between the two companies, demonstrating how both parties can collaborate to create value for their respective organizations while implementing strategic initiatives for the palm oil industry.

Together, we will undertake a journey with the aim of delivering added value to the industry.
