Held at HSAAS, the campaign drew an encouraging turnout of KAB employees, business partners, and members of the public. This collective effort directly contributes to the nation's blood bank, providing a vital lifeline for patients in need. The seamless and safe donation process was professionally managed by the dedicated medical team from HSAAS, ensuring a positive experience for all donors.

**Dato' Lai Keng Onn, Executive Deputy Chairman cum Group Managing Director of KAB,** commented on the initiative's success:

“At Kinergy Advancement Berhad, we believe in doing more than just powering industries — we’re here to empower lives. Hosting this blood donation campaign under Kinergy WellnessLink is a sincere reflection of our commitment to community well-being.

**In Malaysia, an estimated 2,000 blood donations are needed daily to maintain sufficient reserves in our national blood supply.** We are proud that our campaign contributed toward this vital cause — a small but meaningful step in helping save lives and supporting hospitals in their life-saving missions.

This year, we took a different approach — one that goes beyond symbolic gestures and focuses on real, purposeful action. The launch of **Kinergy WellnessLink** reflects our commitment to creating meaningful, sustainable impact, while empowering individuals and uplifting the communities we serve.

Witnessing the enthusiastic participation of our own employees alongside the wider community is truly inspiring. It reinforces our belief that corporate success is intrinsically linked to the well-being of the communities we operate in. **This successful inaugural campaign is just the beginning, and we look forward to driving greater impact through ongoing health and wellness initiatives that ensure awareness turns into lasting change.”**

KAB also wishes to express its heartfelt appreciation to all sponsors whose generous contributions made this life-saving campaign possible. Special recognition goes to our highest contributors — *Malacca Securities Sdn Bhd, Ascension Engineering Sdn. Bhd., and LPM Man Energy Empire.*

We also extend our sincere thanks to other valued supporters including *Talent League Sdn. Bhd., Maxguard Switchgear Sdn. Bhd., Lightningtech Engineering Sdn. Bhd., EV Connection Sdn. Bhd., Safesidepower Sdn. Bhd., CTRV Engineering Sdn. Bhd., Sunfly Switchboard Engineering Sdn. Bhd., Master Tec Wire & Cable Sdn. Bhd., and KRESTON John & Gan.*

Their collective support was instrumental in ensuring the success of the Kinergy WellnessLink Blood Donation Campaign — a meaningful initiative that reflects shared values of care, community, and impact.

### KINERGY ADVANCEMENT BERHAD

Kinergy Advancement Berhad (KAB) (KLSE:0193) is a Malaysian energy company primarily engaged in providing Sustainable Energy Solutions ("SES") as well as engineering solutions, with over 28 years of experience. Recognised as a Top Energy Sustainability Solutions Provider in Asia-Pacific 2024, the company operates with 27 SES projects and has an expanding geographical presence in Southeast Asia, namely in Thailand and Indonesia.

KAB is a One-Stop Energy and Engineering Solutions Provider – offering a comprehensive range of energy and engineering solutions – including Clean Energy (CE) Generation, Renewable Energy (RE) Generation, and Energy Efficient (EE) Solutions. Notably, the company owns a suite of sustainable energy assets, namely Co-generation, Waste Heat Recovery, Solar, Biogas and Hydroelectric Power. Its engineering segment covers all aspects of electrical, mechanical and associated engineering services for industrial, commercial and residential buildings. KAB is registered under the Construction Industry Development Board (CIDB) with a Grade 7 and Suruhanjaya Tenaga with a Class A certification.

KAB is a constituent of FTSE4Good Bursa Malaysia Index and FTSE4Good Bursa Malaysia Shariah Index, with 3-star ESG Ratings from the FTSE Russell Assessment for 2021, 2022, and 2023. The company has set targets to reduce Scope One and Two emissions by 42.0% by 2030 and 90.0% by 2050, using 2021 as the base year.
